Quote Request – Boardwalk and Paver Sidewalk Snow Removal

The District of Carleton North is seeking quotes for an hourly rate to have the snow removed from the boardwalk side and the new paver side of Main Street in the Florenceville Ward. Contractors are asked to submit their hourly rate quote for the following:

- Snow removal required November 2023 to April 2024 winter season.
- Work requires a small tractor with a front-end blower.
- Due to distance between boardwalk railing and light posts/trees, the maximum width of blower would be 50"
- To prevent damage to boards and pavers, skid steer equipment will not be permitted.
- The contractor's equipment will need the ability to maneuver between trees, lamp posts, railing, and any other existing infrastructure.
- Clear snow from boardwalk boards and areas between boardwalk and curb on the river side of Main Street (from across from Red Apple to Community Hall)
- Clear snow from new paver sidewalk areas from Red Apple to Pizza Delight, including connector paths to back parking areas by the Florenceville Post Office, Cemetery/Irving, and Marco Medical.
- Contractor will be required to coordinate sidewalk and boardwalk clearing with the street plowing contractor after/during each snowfall.
- Contractor will be required to apply approved ice melt product to cleared boardwalk and paver areas regularly.
- Ice melt product will be provided / reimbursed by District of Carleton North.
- Confirmation of \$1,000,000 Commercial General Liability Insurance is required.
- Direct any inquiries to Josh Fox 506-392-6763 ext. 216.

Submit completed form to josh.fox@carletonnorth.com by November 4, 2023, at 2pm.

Hourly rate: \$_____ (number of hours to be submitted on a regular basis)
